Verse of the Week

*"For you are a people holy to the LORD your God.
The LORD your God has chosen you to be a people for His treasured possession,
out of all the peoples who are on the face of the earth."
Deuteronomy 7:6*

This week challenge yourself to find Scriptures that reveal God's engagement in the governments of the world. See how God is calling the world to recognize Him as Sovereign LORD of all. Write down one passage for each day.

ENGAGE

Where in history can you see God's intervention in the governments of the world?

Where do you see God's engagement in the governments of the world today?

Do you believe Romans 13:1?

If so, how are you taking measures to support/engage/hold accountable/challenge the governmental authorities that are in place?

What is your response when you see the government getting out of line with God's directives in the Bible?

Take time to pray for your government leaders each day this week.

Monday – Pray for your National Government in Ottawa and for the MP's

Tuesday – Pray for the Provincial Government in BC and the MLA's

Wednesday – Pray for your Local Government and the City Councilors

Thursday – Pray for the United Nations and World Leaders

Friday – Pray for the conflicts/wars that are taking place in the world today and for those who are leaders in the countries affected

Saturday – Pray for government leaders who are persecuting Christians, and pray for the leaders who have an openness to the Gospel message

HEART CHALLENGE

Do you find yourself complaining about the government? Stop complaining and start praying!! When you find yourself doing it, or hear others doing it, pause and pray instead. See how many times this takes place this week.

Our theme for 2025 is STEADFAST

*"Therefore, my beloved brothers, be steadfast, immovable,
always abounding in the work of the Lord,
knowing that in the Lord your labor is not in vain."
1 Corinthians 15:58*
