Heart Challenge

What difference does it make in your life to know what the Holy Spirit brings to your life?

Is there anything in your life today you need to repent of? To make right with God

What does it look in your life to take up your cross to follow Jesus?

What steps are you taking to develop your ongoing relationship with God?

How much time do you spend waiting upon God?

Our theme for 2026 is BEYOND

“For, ‘Yet a little while, and the coming one will come and will not delay;

but my righteous one shall live by faith,

and if he shrinks back, my soul has no pleasure in him.’

But we are not of those who shrink back and are destroyed,

But of those who have faith and preserve their souls”

Hebrews 10:37-39
