ENGAGE

What is your history? What events and people have brought you to be where you are today?

Have you experienced the effects of sin in your own life? What was the cost? Financial? Relational?

Have you ever regretted a decision you made and its consequences because you left God out of the decision process? What were the circumstances? What did you learn from it?

When have you marveled at the wonder and awesomeness of God lately?

What wise words from your life experience would you tell to your friends and family that would instruct them best for their lives after you are gone?
